

VOICEPULSE® CONNECT ACCOUNT VERIFICATION FORM – PAGE 1 (FOR ALL U.S. AND NON-U.S. CREDIT CARD USERS)

I hereby agree to the Terms and Conditions as outlined on the VoicePulse Connect website, including but not limited to the sections stated below:

Pre-Paid Service. Payment for Service and applicable taxes is billed on a pre-pay basis. You must provide a valid credit card at the time you sign up for the Service. VoicePulse reserves the right to suspend or terminate your Service until you provide a valid method of payment. Suspension or termination of your Service leaves you liable for all accrued charges and fees associated with the collection of such payment. You must notify VoicePulse in writing via postal mail within 7 days after receiving your credit card statement if you dispute any VoicePulse charges on that statement. You are responsible for paying all charges accrued on your account, even if you did not use, or authorize the use of, the Service. You are responsible for maintaining a positive balance on your account. In the event that your account falls into a negative balance, you hereby authorize VoicePulse to charge the credit card on file a \$20 negative balance fee plus the amount necessary to bring the balance to positive plus the amount VoicePulse, in its sole discretion, deems necessary to cover future usage for a period of up to 30 days.

Billing and Payment Policy. Certain users of the Site are obligated to pay for the services offered therein, unless specifically notified otherwise. VoicePulse will charge a user's credit card according to the agreed upon fee between user and VoicePulse for use of the services of the Site. Users will pay fees according to the applicable "Price Menu" set forth on the VoicePulse Site. No additional notice or consent will be required for billings to user's credit card for all amounts (including late charges and cancellation fees). You must promptly notify us of any change in your invoicing address or changes related to the credit card used for payment. Your payment obligations survive any termination of this Agreement. While VoicePulse will use its best efforts to ensure the privacy of all credit card and other personal information, we expressly disclaim any liability for any damage that may result should any such information be released to any third parties. User does hereby agree to hold VoicePulse harmless for any damages that may result therefrom. VoicePulse will use a third party service to process your credit card information. VoicePulse is not responsible for any of the services offered by third party. You do hereby agree to indemnify and hold harmless VoicePulse from any liability whatsoever that may result from the use of said party's services.
